Dear Parents and Carers of Year 5 pupils,

Level 2 Bikeability Course delivered by Essex County Council

We are delighted to inform you that we have secured sufficient places for our entire year 5 cohort to take part in a Bikeability Level 2 course. This course will take place during the school day and will involve all of our year 5 pupils. The training consists of four sessions run over two days. We have six courses booked in which will take place on the following dates:

27 th & 28 th February	1 st & 2 nd March	6 th & 7 th March	8 th & 9 th March

Teachers will confirm which course your child will take part in nearer to the time. It is important that cyclists have a good understanding of the Highway Code and we will give your child a copy of the children's version called '**Safer Cycling**' which we hope you and your child will find useful. Level 1 will take place on the school playground on the first session. If your child does not meet the requirements, (ability to ride in a straight line whilst looking behind or signalling, a responsible attitude and good behaviour), they will not progress onto Level 2, level 2 takes place on local roads. The parental consent form must be completed and signed by you and handed to the Instructor before the start of the course.

Your child will be trained by a qualified cycle Instructor, who holds an enhanced DBS.
