The Governing Body
(December 2016)

ISSUE AND REVISION RECORD

PUPIL PREMIUM POLICY

OUR SCHOOL

Queen Boudica Primary is a school we are proud of. Opening as a brand new school in September 2009. Since then the school has grown significantly; in terms of pupil numbers, staff and the physical buildings and grounds.

Our school is a positive, vibrant place to learn in. Our children work hard, have good respect for staff and each other, do well and enjoy their time with us. They are secure in their knowledge that staff care for them and teach them well. We keep the welfare of the children and their families at the heart of what we do. We want to work in partnership with our parents and carers to achieve the best for every child.

Development in the last seven years has been rapid, as we have responded to the quickly changing demand for school places on a new building development and the general requirement for school placements in our part of Colchester. This has resulted in high mobility of pupils, with an increasing majority joining after Reception and a large proportion of these in receipt of the Pupil Premium Grant.

As of the Autumn Term 2016:

- 6.66% of pupils in the school are receiving free school meals (FSM)
- 0.71% of pupils in the school are looked after
- 15.71 % of pupils in the school who have received free school meals in one or more of the previous 6 years (Ever 6)
- 0.47 % of pupils in the school who are from service families

THE PUPIL PREMIUM

The Pupil Premium is additional funding which is allocated to schools on the basis of the number of pupils who have been eligible for free school meals (FSM) at any point over the last six years (known as 'Ever 6 FSM'). The Pupil Premium is aimed at addressing the current underlying inequalities which exist between children from disadvantaged backgrounds and their more affluent peers.

In the 2016 to 2017 financial year, schools will receive £1,320 for each child registered as eligible for free school meals at any point in the last 6 years.

Schools will also receive £1,900 for each pupil who has left local-authority care because of 1 of the following:

- adoption
- a special guardianship order
- a child arrangements order
- a residence order

If a pupil has been registered as eligible for free school meals and has also left local-authority care for any of the reasons above, they will attract the £1,900 rate.

Children who have been in local-authority care for 1 day or more also attract £1,900 of pupil premium funding. Funding for these pupils doesn't go to their school; it goes to the virtual school head (VSH) in the local authority that looks after the child. VSHs are responsible for managing pupil premium funding for looked-after children.

Service children attract £300.

PURPOSE OF THE PUPIL PREMIUM POLICY

The purpose of this policy is to outline how we will ensure that the Pupil Premium allocated to us has an impact on narrowing the attainment gaps which currently exist between our disadvantaged pupils and their peers.

As a school in receipt of Pupil Premium funding, we are accountable to our parents and school community for how we are using this additional resource to narrow the achievement gaps of our pupils. New measures have been included in the performance tables published annually on a national level. They capture the achievement of disadvantaged pupils covered by the Pupil Premium.

We are aware that under The School Information (England) (Amendment) Regulations 2012, Schedule 4 there is specified information which has to be published on a school's website.

Section 9 of this regulation requires schools to publish *'The amount of the school's allocation from the Pupil Premium grant in respect of the current academic year; details of how it is intended that the allocation will be spent; details of how the previous academic year's allocation was spent, and the effect of this expenditure on the educational attainment of those pupils at the school in respect of whom grant funding was allocated'*.

We publish annually the detail of our Pupil Premium Grant spend.

HOW WE WILL MAKE DECISIONS REGARDING THE USE OF THE PUPIL PREMIUM

In making decisions on the use of the Pupil Premium we will:

- Ensure that Pupil Premium funding allocated to our school is used solely for its intended purpose. We also recognise that the Dedicated Schools Grant (DSG) has an element of deprivation funding included in it to address the attainment of our disadvantaged pupils.
- Use the latest evidence based research, such as The Sutton Trust, on proven strategies which work to narrow the attainment gaps and adapt these as necessary to meet the needs of our pupils.
- Be transparent in our reporting of how we have used the Pupil Premium, so that our parents, interested stakeholders and Ofsted are fully aware of how this additional resource has been used to make a difference.
- Encourage take up of FSM by working proactively with our parents and carers in a sensitive and supportive manner and to remove any potential barriers or stigma attached to claiming FSM. In doing so, we also recognise the vital role that parents and carers play in the lives of their children.
- Be mindful of the fact that eligibility and take up of FSM does not equate with pupils being considered to be of 'low ability' because of their social circumstances.
- Ensure there is robust monitoring and evaluation in place to account for the use of the Pupil Premium, by the school and governing body.
- Recognise the fact that FSM pupils are not an homogeneous group and cover

a wide range of needs. As such the strategies we use to raise attainment will take these group and individual needs fully into account.

- Use high quality teaching and learning as the preferred way to narrow the gaps in attainment in the first instance. We will also use high quality interventions with proven evidence of impact to assist our pupils who need additional support in a time limited way.
- Use the Pupil Premium for all year groups not just those taking examinations at the end of the year.

DEVELOPMENT OF THE POLICY

This policy is part of our commitment to reducing inequalities in outcomes and promoting the inclusive nature of the work we do at our school.

When developing this Pupil Premium Policy, we have also taken into account the Ofsted Inspection Framework 2015, which places a strong focus on improving the learning and progress of different groups and on narrowing gaps in standards. We also note that Ofsted has a statutory duty to report on the outcomes and provision for pupils who are disabled and those who have special educational needs.

LINKS TO OTHER POLICIES AND DOCUMENTATION

Although this policy is the key document outlining our approach to narrowing the gaps in attainment and achievement for our disadvantaged pupils, we will, however ensure that information about our responsibilities under the Equality Act 2010 for other pupils for whom narrowing the gap remains an issue but are not covered by the Pupil Premium, are also included in key documents such as our school development plan, self-evaluation review, the school prospectus, school web site and newsletters.

There will also be references to disadvantaged pupils in our behaviour, admissions, SEN and anti-bullying policies, as well as minutes of meetings involving governors, the whole staff, and the senior leadership team and school council.

ROLES AND RESPONSIBILITIES

We expect all members of our school community, particularly staff and governors to be committed to raising standards and narrowing the attainment gaps for our pupils.

The Head and Senior Leadership Team

The Head and Senior Leadership Team are responsible for implementing this policy. They will ensure that all staff are aware of their responsibilities in narrowing the gaps of our pupils. They will also ensure that staff are given appropriate support and relevant professional development opportunities to accelerate pupil's progress and attainment. Through performance management arrangements, they will make sure narrowing the gaps is a priority area of focus for the school.

It will be the responsibility of the Head to include the following information in the annual report for Governors:

- the progress made towards narrowing the gap, by year group, for disadvantaged pupils
- an outline of the provision that has been made since the last annual report
- an evaluation of the cost effectiveness, in terms of the progress made by the pupils receiving a particular provision, when compared with other forms of support

The school's Pupil Premium Grant leaders have day to day responsibility for co-ordinating the implementation of this policy and monitoring outcomes. They have expert and informed knowledge of evidence based research of 'what works' and 'how' this works in narrowing the gaps. They know how to customise this research to fit the needs of our pupils and school context.

The school's Finance Officer will monitor the use of the Pupil Premium on a termly to track the allocation and use of Pupil Premium funding . They, along with the Senior Leadership Team will also check to see that it is providing value for money.

Teaching and Support Staff will:

- maintain the highest expectations of all pupils and not equate disadvantage of circumstance with 'low ability',
- promote an inclusive and collaborative ethos in their classrooms which enable pupils from disadvantaged backgrounds to thrive,
- plan and deliver curricula and lessons to a high standard and support the acceleration of progress in learning, so that gaps can be narrowed and improvements maintained.
- support disadvantaged groups of pupils in their class through differentiated planning and teaching, especially for those who find aspects of learning difficult and are in danger of falling behind. This is known as Quality First Teaching
- keep up-to-date with teaching strategies and research, which have proven track record in narrowing the gaps in attainment and achievement.

We will provide opportunities for staff to engage in a range of professional development opportunities suited to their particular needs and role. This will support them in implementing successful strategies to accelerate progress of pupils and narrow the gaps.

Governing body

Our governing body has an important role in ensuring our school complies with legislation and that this policy, along with its specific stated actions for narrowing the gaps is implemented.

A member of the Governing Body has specific responsibility for ensuring the implementation of this policy.

Our governing body will at least termly, keep our work in narrowing the gaps under review so that they can monitor the use of the Pupil Premium. In monitoring and evaluating the work of the school in relation to the Pupil Premium, the governing body will take into account a range of information, including quantitative (data on progress and attainment) and qualitative (case studies, views, surveys etc.) data as evidence of impact.

At the end of the academic year, our Governors will ensure that there is an annual statement to parents on how the Pupil Premium funding has been used to address the issue of narrowing the gaps in our school and the impact this has had.

This is published on our school's website.

MONITORING AND REVIEWING THE POLICY

Our work in relation to the Pupil Premium will be reviewed on a half termly basis to ensure it is having the intended impact in narrowing the gaps. This will allow us to make adjustments if particular strategies are not working well, rather than leaving things to the end of the year.

Our Pupil Premium Policy will be reviewed on an annual basis and adjustments will be made to it according to the impact the school is having in narrowing the gaps. It will also take into consideration the increased funding that becomes available under the Pupil Premium Grant.

We recognise the importance of context and will evaluate new strategies as robustly as possible to ensure that the approaches we are using have the desired effect. In order to do this effectively, we will where relevant, undertake on-going evaluations of the strategies we are using, such as that outlined in The DIY Evaluation Guide provided by the Education Endowment Foundation.
