School Lunches – Procedures, Terms and Conditions.

- **All Menu slips must be returned by the date at the top of the menu** enabling our Catering Manager to then collate and prepare orders for the following week. Please complete the slip clearly indicating which days your child would like a meal and make your payment via our online payment system Sims Pay, (New starters will be issued with an activation email which will include a unique reference number and instructions on how to set up the account). Your child's name is pre-printed on the tear-off slip.

Fruit and yoghurt options are available daily for those children who do not wish to have the pudding of the day. You do not need to choose these options in advance.

Remember that the vegetarian option is for children who are vegetarian, or who do not eat a particular meat for religious or cultural reasons. Please ensure that you have shared this information with the school office, as the meat we use is not halal or kosher. The vegetarian option is likely to be similar to the meat option (eg quorn curry instead of beef and potato curry).

- **Universal Infant Free School Meals (UIFSM)**. All pupils in EYFS, Year 1 and Year 2, are entitled to universal free school meals. You are still required to complete the slip and return it to the school office by the date on the slip. Meal slips received after the deadline will not be input until the following week and parents will need to provide a home-prepared packed lunch for the first week of the menu.
- **Income Based Free School Meals**. All pupils entitled to income based free school meals are still required to complete the slip and return it to the school office by the date on the slip. Meal slips received after the deadline will not be input until the following week and parents will need to provide a home-prepared packed lunch for the first week of the menu.

If you think you may be entitled to income based free school meals for your child, we would strongly encourage you to visit <http://www.essex.gov.uk/Education-Schools/Schools/Pupil-Parent-Support/Pages/Free-school-meals.aspx>. Alternatively pop into the school office, they will be happy to help you with your online application. A successful award would need to be verified before FSM's orders (for lunches) could be accepted.

- **Chargeable School Meals**. Complete the slip and return it to the school office by the date shown. Meal slips received after the deadline will not be input until the following week and parents may need to provide a home prepared packed lunch for the first week of the menu.

All MEALS MUST BE PAID FOR IN ADVANCE via our online payment system, SIMs Pay. We do NOT offer a credit facility. Any account that fails into arrears may be temporarily frozen and school lunches withdrawn, without notice, until payments are up to date. Payments can be made in full (by whole menu), monthly or weekly but must always be in advance of their consumption.

Remember to keep a copy of the menu so you know what your child has chosen each day and send in a home prepared packed lunch for the days that school meals are not selected. We are not able to offer any same day lunches, if you have not pre-booked a school lunch then you will need to send your child to school with a home pre-pared packed lunch.

By submitting your child's order via the slip below, you are agreeing to all of the schools procedures, terms and conditions detailed above.
