Activity Day

Dear Parent/Carer,

**Year 3 Ancient Egypt Day – Wednesday 28<sup>th</sup> November 2018**

We have started a new topic this term, Ancient Egypt, and would like to give the children an opportunity to experience what life in Ancient Egypt may have been like. We have arranged for History Off the Page to spend the day with us. On this day your child will, through role-play, experience life as it would have been lived during 14<sup>th</sup> century B.C. The Pharaoh at the time is Akhenaten and with his wife Nefertiti, they left Thebes to set up a new city to worship the Sun God, the Aten.

A costume will help your child get into character and feel part of the day. Please see over the page for simple costume ideas. As the day progresses, children will get involved in the issues of the time, with the chance to participate in a range of cross-curricular activities. Your child will be using authentic tools and materials whenever possible to learn skills as apprentices in a wide variety of workshops. By the end of the day they will have a really good idea of how it felt to be an Egyptian having experienced a really exciting and educational day that will help them understand the topic in more depth.

We are asking for a contribution of £10.65 per pupil (For Pupil Premium Awarded Pupils £5.65) to help cover the cost of the expert visitor/s, resources and food for a banquet. Please return your completed permission slip (below) and make your contribution via SIMS Agora by Monday 19<sup>th</sup> November. If you are able to help on the day please let us know via the slip below - you could join us either for the whole day or just for the morning or afternoon, having fun and getting to see for yourself the value of the day!

Yours sincerely
