Head Teacher - Ms Clare Woodward

13th July 2017

Internet Safety Presentation Wednesday 19th July - 6.30pm

*****Including a FREE movie night for all pupils whose parents attend *****

On Wednesday the 19th July, all children in school will be involved in child friendly, age appropriate workshops led by our presenters, The 2 Johns. They will talk to the children about how to keep themselves safe online and will discuss with them the games they play, the apps they use and how to stay safe within them.

In the evening, we would like to give you the opportunity to attend a presentation for parents. The aim of the evening is to change your perspective of what our children's lives look like online and to make you challenge many of your current thought processes when trying to keep children safe from today's hidden harms. A complex web of reasons are behind why children subjected to online sexual exploitation may not disclose to us. This is because of grooming techniques used by paedophiles, but more alarmingly, is worsened by our current approach as both teachers and parents.

At the end of the event we believe you will have a much greater understanding of what children are doing online and a much better chance of keeping them safe. We will be covering many new and emerging apps that have appeared over the last year.

So that child care is not an issue and as many of you can attend as possible, we have arranged a 'movie night' for your children - I will be talking to the children early next week about the films they would like to watch. Children can come in their Pyjamas/Onesies and bring a pillow/blanket if they wish. Children can only attend 'movie night' if their parents attend the internet safety talk.

If you would like to attend the Internet Safety Talk, and for your child to attend 'movie night' please complete the form below and return it to school by Tuesday 18th July.

I look forward to seeing many of you on the 19th.

Regards,

Kelly Cox- Deputy Head
