### EYFS

After a lovely long weekend Oak Class enjoyed the continuing good weather at the woods making Hobby Animals for the Trekking Tuesday Derby. We know that Ash Class will enjoy the same activity next Tuesday. Please note that even if the weather is warm at forest school children must have long sleeves and trousers so their arms and legs are protected from insects.

This week we have been looking at the story 'Lost and Found' by Oliver Jeffers. The children have enjoyed lots of different activities relating to the story including: designing a vehicle for the boy and his penguin, painting umbrellas with patterns for a character to travel in and writing about the story.

We have continued looking at number and the children have worked hard at finding one more and one less of a given number, linking this to the beginning of counting on and counting back when adding or subtracting.

A quick reminder that on Tuesday for 'Multi-skills Club' the children really need appropriate clothing to change into including trainers. Thank you.

Have a lovely weekend. See you on Monday!

Dear Parents,

We hope that you all had a lovely Bank Holiday weekend and were able to make the most of such amazing weather! Since we returned to school we've loved watching the pair of mallard ducks who are visiting our area, and who particularly enjoyed splashing in the water tray outside the office yesterday.

Next week is a particularly important week for our pupils in Year 6 who will be sitting their end of Key Stage 2 national assessments. Whilst we wholeheartedly recognise that SATS assessments are only one element of primary school education, we're very impressed with how well Year 6 pupils have focused on their learning and we know that they will all do their very best next week. Lots of luck to Year 6 and thanks to the staff team who have worked hard to support the pupils at all times.

Several staff members are taking part in the forthcoming Relay for Life held on 28th and 29th July. They're looking great in their turquoise t-shirts today. The funds raised are in support of Cancer Research UK: if you would like to support the staff either in person or by making a donation, it would be very much appreciated. The link to their fundraising page can be found at the back of the newsletter.

We wish you an enjoyable weekend,

*Clare Woodward*

CANCER  
RESEARCH  
UK

**Queen Boudica Staff are preparing to take part in the Colchester Relay for Life, a team fundraising challenge which brings communities together to beat cancer.**

We'll be celebrating our fundraising in a 24-hour Relay, taking place on 28th and 29th July, where we'll take turns to walk laps of a track, all day and night, to show that cancer never sleeps.

All the money raised will support Cancer Research UK, the world's leading cancer charity dedicated to saving lives through research.

Every step we make towards beating cancer relies on every pound donated, so please donate today and help us to make a difference.

Donating through this page (link below) is simple, fast and totally secure. Your details are safe with Cancer Research UK.

If you are able to donate a £1 or £2 it really will help the Queen B staff to keep on walking, right through the 24hours...
