EYFS

This week in EYFS we have been learning about money! We have looked at coins to 10p and used them to pay for different items. We had to think about how to pay for things when there wasn't an appropriate coin.

The children have been fascinated to share their own knowledge about the world and things that come from different countries such as pizza from Italy, the Eiffel Tower in France and even President Trump in America. We introduced globes, maps and atlases and the children have enjoyed exploring using books and the internet to find out more.

With their writing, children have been trying to hear lots of sounds in the words they wanted to write. We have seen them really proud of themselves and they are developing an enthusiasm for writing.

We would be really grateful if you would please practise any lines your child might have for the Nativity and send in their costumes when you can before Friday 24th November.

Have a lovely weekend.

Dear Parents and Carers,

We've reached the end of another action packed week here at school, culminating in our Christmas Bazaar. Santa has already been seen in the distance; we're really delighted to welcome him to school this year, and are hoping that many of us will be on his 'nice' list this year. Fingers crossed!

There are lots of coughs and sneezes around at this time of year; please can I ask you to remind your children of the need for good personal hygiene to stop germs spreading any further - handwashing, hand sanitizer and tissues are all really helpful - thank you.

We look forward to seeing you later this afternoon at the Christmas Bazaar, and once again, a very big 'thank you' to all those of you who are able to help the FAFA make the event such a success.

Have a lovely weekend,

Clare Woodward

THE KEY LIME PIE is traditionally known as one of Florida's key products. During the early 1900s, local farmers used juice from wild limes to make up this original recipe.
