School Newsletter

4th May 2018

EYFS

This week we had a marvellous time visiting the library and Castle Park. The children were very well behaved and a credit to you! They really enjoyed looking through the library, finding interesting books to look at and enjoying stories read by the librarian. They also had a wonderful time playing in the enclosed play park exploring the different equipment with their friends. A huge thank you to all the parents who came along. For those who ordered a library card we will hopefully be collecting them this weekend ready for you on Monday.

We have also been looking at healthy eating in our cooking session this week. We talked about the need for a balanced diet and looked at the different food groups. The children made their own vehicle sandwiches and practised their cutting and spreading skills.

The children enjoyed the story of 'The Train Ride' and we have been writing about different train rides that we have been on or imagined. In Maths we have been revisiting ordering our numbers to 20 and beyond. It would be great if you could practise recognising number 0-20 at home.

Oak Class will be going to the woods on Tuesday.

Have a lovely sunny Bank Holiday weekend!

Dear Parents and Carers,

We're really glad to see a change for the better in the weather this week, after several chilly and dismal days earlier in the week. We've admired a range of lovely umbrellas and wellies, but have also seen some super sunhats too! We really hope that the sunshine will continue over the long weekend.

Thank you for all the positive feedback regarding the class photos. Please can we remind you that the payment for these is due by May 8th.

We're getting ready for a particularly busy few weeks in school, with external assessments taking place across the country, and before we know it we'll be into the last half term with trips, sports events and performances. We look forward to seeing you at these and celebrating your child's hard work and achievements.

We all hope you have an enjoyable Bank Holiday weekend, and look forward to seeing the children back next Tuesday 8th.

With kind regards,

Clare Woodward
