Head Teacher - Ms Clare Woodward

July 5<sup>th</sup> 2018

Dear Parents/ Carers,

As part of their PSHE learning, the children in Year 6 undertake a 'Sex and Relationships Education' programme of learning. Our school policy is available on the school's website. The programme of learning is designed to be appropriate to the age and emotional maturity of the children.

Parents have the right to withdraw their children from sex education lessons. If you wish to do so, we will be happy to accommodate this decision but would ask that you please make an appointment to discuss this with your child's class teacher.

On **Thursday 12<sup>th</sup> July at 3:30pm**, we have arranged a meeting for all parents and carers of children in Year 6 to discuss this particular programme of lessons: to explain the contents and how they are taught, and to see the material the school uses in its teaching. Please indicate on the slip below if you wish to attend. If you can't attend the meeting but would like further information regarding the resource material, please let your child's class teacher know so that we can contact you.

The lessons for the children will take place in the following week discussing what is in the films and talking about the changes that children go through when entering puberty.

Yours sincerely,

Mrs. Jessop and Mr. Stacey
